Decorative wall Motivo

May 2025

Decorative wall Motivo

It is a fast and easy way to decorate a home or renovate it. No more hardships for wallpapering, plastering or painting - just stick Motivo panels to the wall. The effect will be impressive!

Our wall is water resistance and easy to clean, which is why it perfectly passes the exam in the kitchen, bathroom or hallway.

Motivo is a DIY product, so anyone can montage it without construction team. The assembly is so simple that it quickly turns into fun with family or friends.

The charm of wood

Wood offers captivating diversity.

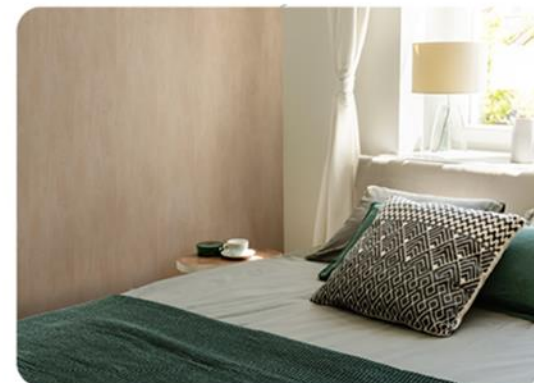

We offer a range of wood-inspired

Motivo decorative walls.

They have a warm colour palette

and are extremely versatile,

so they'll fit in any room.

Rediscovered brick

White or red?

It certainly has many fans. Brick walls have been a strong trend in modern interior design.

Thanks to Motivo, you can finally have one in your own home.

The brick pattern works in many different spaces, giving it a more charismatic look.

The magic of concrete

Concrete on the wall is one of the hallmarks of modern interior design.

Thanks to their natural shades, patterns inspired by this material are very versatile.

They will fit in virtually any room. They work wonders in both warm and cool interiors.

Technical information

Finishing trims

For the perfect effect, in our offer we present two types of finishing trims
– universal trim B6 and dedicated trims B1-B5.

Universal finishing trim Vilo B6

Thanks to its construction, self-adhesive trim B6 has universal usage. This trim is perfect to connect panels with each other (e.g. corners) or with a wall (finishings). Wide range of colours helps to match the trim ideally with picked Motivo decor.

B6 trim is 118.11 in long. (1.97 in x 118.11 in)
